

Calling all Shropshire young people aged 11-18

Standing as a Member of Youth Parliament

Do you have a passion to improve things for other young people?

Are you a young person who would enjoy working with young people, councillors, heads of services and members of the community in Shropshire?

Do you have an interest and commitment to help other young people get their voices, needs and concerns across?

Are you willing and able to give your time at weekends and evenings to be part of a local, regional and national group?

If so, this is a unique opportunity – stand as a member for Youth Parliament. This is a voluntary position, which is not paid but expenses and refreshments will be provided.

The elections take place every year. In January last year over 12,000 young people took part in voting for the MYPs. Closing date for applications is 19 October 2009.
